We're here to help you connect, laugh, and create unforgettable moments with friends through fun, engaging quests. These guidelines are designed to ensure that everyone has a positive, safe, and respectful experience while playing.

Our Core Values:

- **Fun & Connection:** Our primary goal is to be a catalyst for good times and new connections among adults.
- **Respect:** Treat all players with kindness, understanding, and consideration.
- **Creativity:** Unleash your imagination to craft unique and exciting custom quests.
- **Safety & Responsibility:** We prioritize a secure environment and responsible interactions for our adult audience.

I. Quest Creation & Content Guidelines:

When creating custom quests, or choosing your nickname, please ensure all content adheres to these standards:

1. Strictly No Prohibited Content:

- **No Alcohol, Drugs, or Illegal Content:** Absolutely no content that depicts, promotes, encourages, or glorifies the use of alcohol, illegal drugs, tobacco, vaping, or any other regulated substances. This includes any implicit or explicit references to "drinking games" or "shots".
- No content depicting or promoting illegal activities of any kind.
- No content related to gambling or real-money gaming.
- No sexual or explicit content, including nudity, sexually suggestive behaviour, or inappropriate solicitations.
- No graphic violence, gore, or content promoting self-harm.

2. Respectful & Inclusive Language:

- **No Hate Speech:** Do not use language or create content that attacks, demeans, discriminates against, or promotes hatred toward individuals or groups based on their race, ethnicity, national origin, religion, disability, disease, age, gender, sexual orientation, or any other protected characteristic.
- **No Harassment or Bullying:** Do not bully, threaten, intimidate, or harass other users. This includes personal attacks, derogatory comments, or any form of intimidation.
- **No Trolling or Spam:** Custom quests must be genuine game content, not designed to intentionally provoke arguments, post repetitive content, or disrupt the game experience for others.

3. Original & Truthful Content:

- **Respect Intellectual Property:** Do not use content (text or implied concepts) that infringes on someone else's copyrights, trademarks, or other intellectual property rights. Create your own imaginative content!
 - **No Impersonation:** Do not impersonate other users.
 - **No Misinformation/Deception:** Do not create quests designed to deceive or spread false information.
-

II. Player Conduct & Interactions (Within Private Lobbies):

Your interactions within private lobbies, including how you use the "milk sending" feature and engage with the leaderboard, should adhere to these principles:

1. Friendly Competition & Fun:

- The leaderboard is for friendly competition. Maintain a positive and sporting attitude, whether you're at the top or bottom of the scores.
- The "milk sending" feature is for light-hearted fun and strategy. Do not use it to express anger, harassment, or as a tool for persistent negative behaviour.

2. Private Lobby Etiquette:

- Remember that lobbies are private. Only invite people you know and trust to your sessions.
- If you are the host, you are responsible for the content of the custom quests you share within your lobby.

3. No Private Information Sharing:

- Super Scratch Party is designed for in-person play. Do not attempt to exchange or solicit personal identifying information (e.g., real names, addresses, phone numbers, email addresses, social media handles) with other users through the app.

4. Reporting Misconduct:

- If you encounter content within quests or player behaviour that violates these guidelines, please use our in-app reporting tools. Your reports are crucial for maintaining a safe and enjoyable community.

III. Consequences of Violating Guidelines:

We are committed to enforcing these guidelines to maintain a safe, respectful, and enjoyable environment for our 18+ community. Violations will result in consequences, which may include:

- Deletion of all associated user data (in accordance with our Privacy Policy).

We utilize a combination of automated profanity filters and human review to moderate content and enforce these guidelines. We reserve the right to remove content or suspend accounts at our sole discretion.

IV. Your Role in the Community:

- **Be a Responsible Host:** If you create quests, ensure they align with these guidelines and the spirit of respectful adult fun.
- **Play Fair:** Engage with the game and other players in a manner that promotes positive experiences.
- **Help Us Keep it Safe:** Report any inappropriate content or behaviour you encounter. Your vigilance helps protect everyone.

Important Note Regarding Age:

Super Scratch Party is intended for users who are of legal age or older, as outlined in our Terms of Use. While our content is designed to be broadly accessible and avoids explicit mature themes (especially concerning alcohol), the context of the game's mechanics and user-generated content for in-person party play is specifically tailored for an adult audience. We may implement in-app age verification to ensure compliance with this policy.

Changes to Guidelines:

We may update these guidelines from time to time. We will notify you of any significant changes, and your continued use of Super Scratch Party means you accept the updated guidelines.
